Print out this page and ask an adult to help you carefully cut along the dotted lines.  
Then glue it onto some card to either make a greetings card with a fold or make  
into a little postcard ready to send to friends and family!

## Top tip!

Make your cards  
even more magically with  
some added glitter and  
googly eyes! Don't forget  
to write a spooky  
message inside!
